Gemmo Combo — prompts das imagens que faltam

Estilo base (cole no início de TODOS os prompts):

```
Pixar-style 3D render, soft studio lighting, glossy translucent crystals, rich saturated colors, cute fantasy gem-world, mobile game art, high detail, no text, no letters, no numbers, no UI, no watermark.
```

1) Cômodos do palácio em cubo (9:16, fundo branco)

Para cada cômodo: gere a RUÍNA primeiro; depois gere a RESTAURADA anexando a ruína como referência.

Biblioteca de Cristal — ruína

```
"[ESTILO BASE] isometric cube-shaped room diorama on a plain white background, ruined crystal library: collapsed bookshelves, scattered old books, dusty cracked floor, broken windows, moss and vines, glowing teal crystals growing through the walls, cobwebs, dim magical light, no characters"
```

Biblioteca de Cristal — restaurada

```
"[ESTILO BASE] same isometric cube-shaped room diorama as the reference image, same camera angle and layout, same white background. Fully restored crystal library: tall bookshelves full of glowing books, golden lamps, polished floor, soft rug, reading armchair, clean windows, pink and teal crystals, flowers, sparkles, joyful and magical, no characters"
```

Jardim de Inverno — ruína

```
"[ESTILO BASE] isometric cube-shaped room diorama on a plain white background, ruined glass greenhouse: broken glass panes, rusty iron frame, overgrown weeds, dead plants, cracked clay pots, glowing teal crystals, no characters"
```

Jardim de Inverno — restaurado

```
"[ESTILO BASE] same isometric cube-shaped room diorama as the reference image, same camera angle and layout, same white background. Fully restored glass greenhouse: sparkling glass panes, golden frame, lush flowers and plants, small crystal fountain, butterflies, pink and teal crystals, joyful and magical, no characters"
```

Observatório de Estrelas — ruína

```
"[ESTILO BASE] isometric cube-shaped room diorama on a plain white background, ruined star observatory: broken dome, fallen telescope, cracked star-map floor, crumbling stone, dust, glowing teal crystals, no characters"
```

Observatório de Estrelas — restaurado

```
"[ESTILO BASE] same isometric cube-shaped room diorama as the reference image, same camera angle and layout, same white background. Fully restored star observatory: shiny golden dome open to a starry sky, crystal telescope, glowing star-map floor, polished stone, pink and teal crystals, sparkles, joyful and magical, no characters"
```

2) Impulsionadores — 1 folha (fundo verde #00FF00, 2048x1024)

```
"[ESTILO BASE] sprite sheet on flat chroma green background, 3 round game booster icons in a row, each about 300px, evenly spaced, no text: (1) a golden hammer with a crystal head, (2) two glossy curved arrows swapping two small gems, (3) a glowing crystal plus sign with five sparkles (symbols only, no letters), each on a round blue-purple medal with a gold rim. Clean edges, soft shadow."
```

3) Estrela dourada (peça de ingrediente) — fundo verde

```
"[ESTILO BASE] sprite on flat chroma green background, one big glossy golden star gem with a small crystal shine, centered, about 600px, clean edges, soft shadow"
```

4) Mapas dos episódios 4–6 (9:16, 1080x1920) — opcional

Regras: caminho de pedra clara serpenteando de baixo para cima, livre de objetos, vista 3/4 de cima.

Cavernas Brilhantes

```
"[ESTILO BASE] vertical map background, glowing blue crystal cavern, winding stone path from bottom to top, underground lake, bioluminescent plants, path clear of objects, 9:16"
```

Mercado dos Gnomos

```
"[ESTILO BASE] vertical map background, cozy gnome market village, winding cobblestone path from bottom to top, orange lanterns, tiny stalls, mushroom houses, path clear of objects, 9:16"
```

Torre das Estrelas

```
"[ESTILO BASE] vertical map background, starry mountain top, winding stone path from bottom to top, floating crystals, aurora sky, purple and gold, path clear of objects, 9:16"
```

Ordem sugerida: 2 e 3 primeiro (rápidas), depois os cômodos, depois os mapas.
