Gemmo Combo — prompts das próximas imagens

Estilo base (cole no início de TODOS os prompts):

```
Pixar-style 3D render, soft studio lighting, glossy translucent crystals, rich saturated colors, shallow depth of field, cute fantasy gem-world, mobile game art, high detail, no text, no letters, no numbers, no UI, no watermark.
```

1) Salão do Trono restaurado (9:16) — PRIORIDADE

Anexe a imagem do Salão do Trono em ruínas como referência.

```
"[ESTILO BASE] same room and exact same camera angle as the reference ruined throne hall, now fully restored and beautiful: polished marble floor, golden throne with gem inlays, clean arches, glowing crystal chandeliers, red carpet, sunlight through restored windows, clean lush garden outside, joyful and magical, no characters, 9:16"
```

2) Ícone do app (1:1, 1024x1024) — PRIORIDADE

```
"[ESTILO BASE] app icon, close-up of Gemmo, a cute chubby mint-green gem creature with a small golden crown, big shiny eyes and a happy smile, surrounded by colorful glossy gems, vibrant teal-to-purple gradient background, centered, strong silhouette readable at small size, square 1:1, no rounded corners"
```

3) Impulsionadores — 1 folha (fundo verde #00FF00, 2048x1024)

```
"[ESTILO BASE] sprite sheet on flat chroma green background, 3 round game booster icons in a row, each ~300px, evenly spaced, no text: (1) a golden hammer with a crystal head, (2) two glossy arrows swapping two small gems, (3) a glowing plus-five badge made of crystal (symbol only, no letters), each on a round blue-purple medal with gold rim. Clean edges, soft shadow."
```

4) Estrela dourada (peça de ingrediente) — 1 folha (fundo verde)

```
"[ESTILO BASE] sprite on flat chroma green background, one big glossy golden star gem with a small crystal shine, centered, about 600px, clean edges, soft shadow"
```

5) Cômodos do palácio — cada um em 2 versões (ruína e restaurado), 9:16

Gere primeiro a ruína; depois use a ruína como referência para o restaurado (mesmo ângulo).
